

# WINTER TALES

Tales from Around the World for Adult  
and Teenager Students of English.

## Summary

In the deep mid-winter, when the rest of nature is fast asleep, curl up around the storytelling fire and listen to the warm tales of Jennifer Ramsay, a professional storyteller from the Scottish oral tradition.

The traditional stories come from far and wide around the world waiting for this magical time of the year to share their wisdom and bring light to these dark months of the year.
