

The Purple Horse Echoes from the Past

A Journey to the Heart of Prehistory
through Rock Art and Storytelling

Summary

The Purple Horse Workshop **A Journey to the Heart of Prehistory**

Step into “The Purple Horse”—an invitation to journey through time, back to the Palaeolithic wonders painted upon the caves of northern Spain.

Guided by the haunting sounds of ancient instruments, we travel in spirit to the heart of the Tito Bustillo cave where art and history merge.

Aromatic herbs stir our senses, awakening memories woven deep within, inspiring us to become explorers, storytellers, and artists of the hidden world.

We’ll delve into the mystery of “The Purple Horse,” conjuring creation myths and sharing tales about this evocative piece of art around the glow of a symbolic fire

Our journey ends with a cave mural, adorned with messages of hope for the generations yet to come.
