

The Witching Hour

Stories for Adults & Teenagers

Summary

We venture out at
the witching hour with folklore
and true stories about witches.
And we reflect upon what being a witch
really means.

We explore the origin of the Jack O
Lantern.

We discover that the roots of Halloween is
Samhain, the festivity of the Celtic wheel
of the year which takes us into the
dark months.

And we end with a
symbolic ritual.

Artistic & Technical Information

Storyteller: Jennifer Ramsay

Public: Adults & Teenagers
Ideal for students of English as a
Foreign Language

Languages: Spanish or English

Duration: 55 minutes

Requirements: 2 tables
