

WOMEN WHO DANCE WITH THE WOLVES

A Journey to the
Symbolic World of Fairy Tales

Summary

The oral storytelling tradition has been kept alive through women for countless generations, Ancient fairy tales have hidden codes within them waiting to be revealed to guide us on our path through the forest of life.

Jennifer Ramsay accompanies us into the dark, dark story forest.

Dare you enter into Baba Yaga's house with your little doll?

Will you take off your skin and dance with white Wolf Woman under the light of the full Moon?

These ancestral tales help us connect with our innate wisdom and show us how the heroine's journey is intimately connected with fairy tales and the web of life.
