

KAMISHIBAI: HOW MAUÍ CAPTURED THE SUN

A workshop with the author
& illustrator of the kamishibai

Description

“How Maui Captured the Sun” is a creative workshop for children.

Through the use of a kamishibai and a personal version of a Maori creation myth, retold and illustrated by Jennifer Ramsay, we discover the power of stories, to help us understand the world around us.

Inspired in the richness of the night sky, we create a collective story and illustrate it for the kamishibai, converting the library in a space full of stories, art and connection.

Objectives

- To offer a quality workshop for children.
- To introduce a kamishibai as a poetic and visual form of storytelling.
- To foster a love of storytelling and reading in a welcoming environment.
- To stimulate children's imagination and artistic creativity.
- To collectively create and illustrate a story inspired in nature.
- To promote values such as cooperation, respect, solidarity and dialogue.
- To spark curiosity about myths, traditional tales and other cultures.
- To reinforce the role of the library as a vibrant space for culture, socialising and creating in community.
