

Magical Tales from The British Isles

A Story Journey through
Scotland, England, Ireland & Wales
For children between 6 & 12 years old

Description

In this storytelling adventure the British Isles come to life through myths, legends and magical tales.

Jennifer Ramsay from Story Arte invites you to join her on this storytelling journey filled with Scottish myths, Irish leprechauns, Welsh dragons, English fairies, and legendary characters such as Merlin, the legendary wizard.

Magical Tales from the British Isles is perfect for festivals, libraries and cultural centers.

In primary schools it would be an excellent activity for English weeks and cultural projects, helping young learners of English build confidence in the language.

Each session sparks imagination and creates a fun, memorable cultural experience for everyone.
